² The membership fee is \$109 when paid by credit/debit card or \$106 when paid by ACH payment. Price does not include applicable taxes. The maximum number of membership fees a family pays per academic year is three programs (\$327 with credit/debit card payment; \$318 with ACH payment).

³ Ancillary fees may be added to cover the cost of printing Challenge guides and other community needs. Please consult the Licensed Community Director for specific fees.

Licensed Community Director Model

This community is lead by a Licensed Community Director. This structure is designed to enhance unity and allow leadership to serve families better than ever before. Over one hundred communities have successfully piloted the Licensed Community Director model since 2021. The results are stronger family retention, increased satisfaction among leaders and families, and enhanced growth in participating communities. Open Application Policy

Directors will announce specific application due dates. If you are interested in becoming a Program Tutor or substitute Tutor, please inform the Director. It is best to communicate with the Director regarding your enrollment plans to avoid missing an enrollment opportunity. If a program reaches capacity before you enroll, contact the Director or Local Representative for additional options.

Payment Terms

- All tuition and all fees must be paid *before* attending community.
- The application fee must be paid to the Director upon acceptance into the program(s) *before* the Director is able to send an invitation to join through CC Connected.
- The membership fee is paid in CC Connected after acceptance of the program invitation.
- Supply and ancillary fees are paid to the Director.
- Tuition is paid to each student's Program Tutor.

Membership

- To enjoy all member benefits, including full access to CC Connected, families must pay tuition and fees in full and actively participate in a local Classical Conversations community.
- If your student drops from a program and you have no other students enrolled in that program, your family will lose access to that program in CC Connected and all associated member benefits will end.
- Membership benefits for each academic year concludes June 1. Families may enjoy continuous membership benefits with enrollment for the following academic year prior to June 1.

Late Fees

The Director may assess a late fee to the family's balance if tuition or fees remain unpaid after the due date.

Refunds

All tuition and fees are non-refundable. The application fee and membership fee may be transferable to a new community according to relocation guidelines.
